## JOB ADVERT - MARCH 2024

### GRADUATE WELL SUPERVISOR ENGINEERS

TotalEnergies EP Uganda is offering exciting entry level opportunities for Well Supervisors on site. Successful candidates will undergo a 4-months training on well completion and a well intervention program at the International French Petroleum Institute (IFP) in France (taught in English).

This opportunity is open to young university graduates and engineers with some experience willing to specialize in well completion supervision.

You will then be assigned on-site, on a rotation basis, to first get familiar with the operations and the equipment used, and then to help supervise well completion and work over operations. Following your first assignment on-site, you will then continue with a well completion supervisor position in the field on a rotation basis (4 weeks on / 4 weeks off).

### WHO CAN APPLY?

Students with a Bachelor's in general engineering, mechanical engineering, chemical engineering, industrial engineering, and petroleum engineering degree from a recognized University are encouraged to apply. "Female candidates are highly encouraged to apply".

### ELIGIBILITY

Applicants must meet the criteria below:

- Ugandan citizen
- Below 28 years of age
- First Class Degree or Upper Second-Class Degree in Bachelor of Engineering

### SELECTION PROCESS

Shortlisted candidates will go through panel interviews. On completion of the training program, successful candidates will be offered employment.

### APPLICATION PROCEDURE

Please send a detailed cover letter and CV explaining why you should be considered for this Well Supervision program.

### ONLY SHORTLISTED CANDIDATES WILL BE CONTACTED

**Note: DO not attach other documents to your application at this stage**

Contacted candidates will later be requested to provide the documents below:
